Transition Resource Fair

HADLEY OCTOBER 16, 2019

Transition Resource Fair October 16, 2019

Hadley Farms Meeting House
41 Russell Street, Hadley

The Transition Resource Fair focuses on future options for high school students as they plan and prepare for their next steps once out of school. The event provides an opportunity to meet exhibitors from local and inspirational adult support service providers, and to hear from a panel of people from a variety of organizations who will share their individual expertise. The Fair is a free resource event open to the entire community.

Family Empowerment, The United ARC, and the Department of Developmental Services - Franklin Hampshire office, have created the new Family Support Collaborative of Franklin and Hampshire Counties to combine our resources and expertise for some regional projects. Together, as Family Support Collaborative of Franklin and Hampshire Counties, we will host the Transition Resource Fair in Hadley. A second Collaboration Transition Resource Fair will take place in the Athol area in the spring of 2020. We look forward to seeing you!

5:00-6:00 p.m.: Panel Discussion

The Panel Discussion will highlight service options available to young adults during and after the transition years of 14-22.

Please RSVP to FScollaborative19@gmail.com if you would like to reserve a spot for this presentation. We want you to get a seat, and the room fills up quickly.

6:00-8:00 p.m.: Exhibitor Fair

Exhibitors will be available to discuss topics related to the transition process for students 14-22, and include programs for college and post-secondary education options, job training, career investigation, day and recreation activities, living options, and special needs financial planning.

For more information about the Fair or to register as an exhibitor, email us at FScollaborative19@gmail.com.
